Layette Kits

The Layette Kit, coined as the “Baby Shower in a Bundle,” is all of the basic clothing items needed for a newborn baby. When someone is living in crisis, whether that be because of a disaster, financial instability, or mental or environmental struggles that prevent them from having their basic needs met, items such as baby clothes are not the top of the priority list. However, these items are necessary for the baby, and such an encouragement for a mother to know she is taking care of her baby.

They might not be able to afford disposable diapers, but they now have reusable ones. They might have a 10-year-old hand-me-down sleeper that is on its last leg, that they have to use, now they have a brand new one. Whatever the situation might be, this gift will empower mothers to care for the physical needs of their baby, and give her hope for her future and the baby’s future. Most importantly, they will be prayed over, and will know they have been prayed for.

- Sleepers or Gowns
