WHY HOST AN OFF-SITE MISSION EVENT?

We bring the mission to you! With three off-site event options that you can host at your church or organization, you can choose the event that is perfect for your group.

Off-site mission events connect congregations, grow teams closer together, and deepen discipleship. Just like going on a mission trip, hosting an off-site event creates a space where community is shared and memories are made, all while actively being the hands and feet of Jesus.
